

CALIFORNIA COMMUNITY COLLEGES

**Doing What MATTERS™**

FOR SMALL BUSINESS

## California Community College Students Utilizing Coworking Space in the Gig Economy

Come Learn About:

- Engaging students in a coworking space with entrepreneurs.
- Engaging entrepreneurs to enhance curriculum.
- Engaging faculty with entrepreneurs and small business owners.
- How to provide students with work-based experience opportunities.
- How coworking space creates a community of change makers who improve the world (social entrepreneurship) with the companies they build, the people they help, and the products they create.
